(805) 964-7806**

August 2018

Dear Homeowner Association Board Members:

The South Coast Homeowners Association (SCHA) invites you to join our group for the upcoming year. SCHA was formed in late 1988 to provide the opportunity for board members to "network" or interact with one another and to provide much needed educational and informational forums in Santa Barbara County for homeowner associations. We have had meetings dealing with legal/legislative updates, association reserve and budget requirements, a full day "HOA 101" seminar, HOA insurance, among others. We encourage members to interact among themselves and provide ample question and answer sessions during all our meetings. Most meetings are free to attend. You may send as many board members from your association to attend each meeting as you'd like. Visit our website at [www.southcoasthoa.org](http://www.southcoasthoa.org).

In addition, we publish a newsletter 4 times per year on topics of current interest to association board members. You will also receive the *2019 Condominium Bluebook*, a compilation of state laws for associations (expected January 2019), a \$20+ value. Additional resources are available on our website – [www.southcoasthoa.org](http://www.southcoasthoa.org).

Currently over 150 associations are members of South Coast Homeowners Association, ranging in size from 3-750+ units.

Membership - through December 2019 -----\$ **60.00**

Professional Newsletter Listing – 2018-19 for association professionals providing services to HOAs (optional for professional members) ----- **additional \$80.00**

---

To join, please complete the information section below and mail to us at the address above along with your check for \_\_\_\_\_. Your membership will run through December 2019.
